ADOPT OUR FIRE HOUSE

Say "thanks" to the men and women who work to keep you, your family, your property and your community safe by contributing to our fund. Local businesses, churches, youth groups and schools are also invited to join us.

In recent weeks, we have been able to purchase some much-needed and frequently-requested items for our Brooklyn fire station.

Thanks to your generous contributions and a sizeable donation from an anonymous donor, we delivered a brand new recliner, a Cuisinart food processor, new drinking glasses and new silverware to Truck 21, Engine 35 and Medic 9.

this is not the end!
"ADOPT OUR FIRE HOUSE" continues as a
fund-raising project of the CCBB.
